## Attendance Counts

ON TIME ALL DAY EVERYDAY

### Principals Message

There was some great learning taking place in school last week. I think the Year 3 team invading the school as Romans had to be the most memorable. As a parent it really is a lot of effort to get our children dressed up for these days, we appreciate the effort! They all looked wonderful!

This week our value of the week is about encouraging our children to be open minded. Being open minded is about welcoming new ideas, arguments and information. Being open minded enables us to think critically and rationally. As a family this week you could try something new. Set up a healthy and respectful debate where as a family you discuss two different view points. In our house we often have healthy debates about Rugby Vs Football, Jazz Vs Classical, Rice Vs Potatoes and many more. What is important is that we take time to see each side of the argument.

Science this week is getting exciting, we can already see lots of fun activities taking place around the school. We are looking forward to seeing all of the amazing projects for Science Fair and costumes to show Growth on Thursday.

Well done to all Key Stages for improving the attendance figures this week. For those classes who are at the top of the school for attendance, there will be additional outdoor play times outside!

### Reminders

**Exams for Primary and Key Stage 3**  
27 February - 7 March

**Term Dates**  
Term 2 Ends  
10 March 2022

Term 3 Begins  
20 March 2022

**Science Week**  
20 February - 24 February

**Virtual Science Fair**  
23 February  
24 February

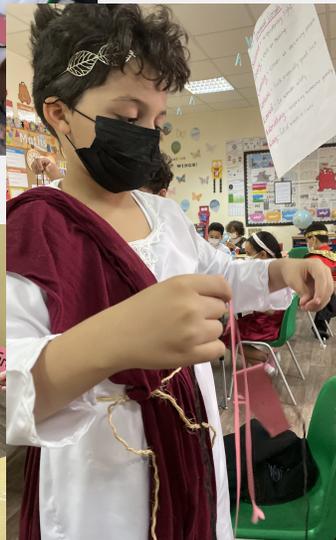

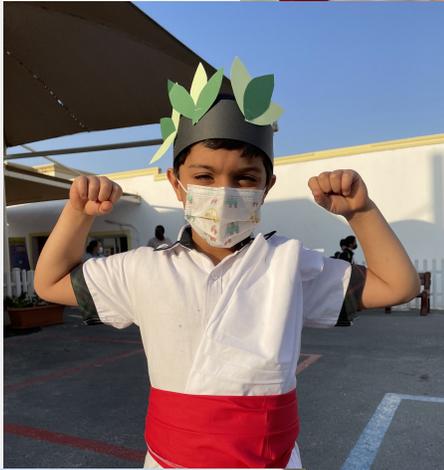

**Value of the Week**  
Open Minded  
Open Minded V  
Close Minded?

# Work of the Week

2 Blue - Mohammed Essa A Z Al Shamiri

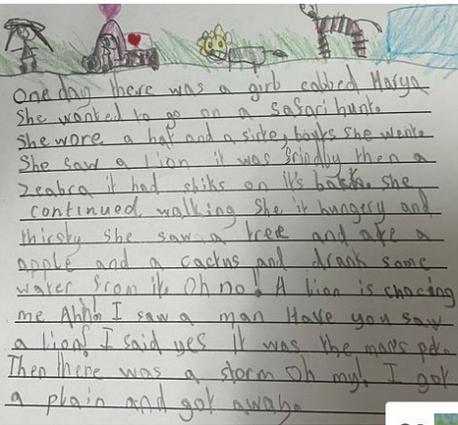

2 Yellow- Huda Al Mutawa

2 Orange - Ayesha Khan

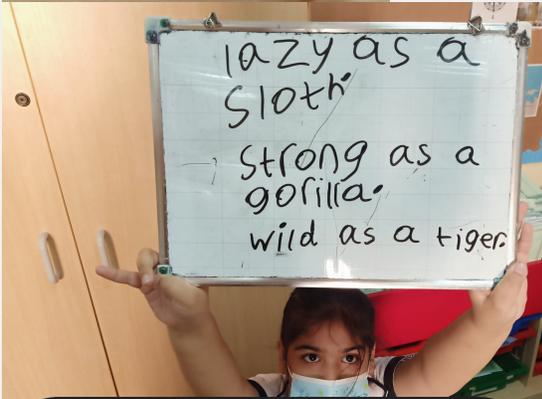

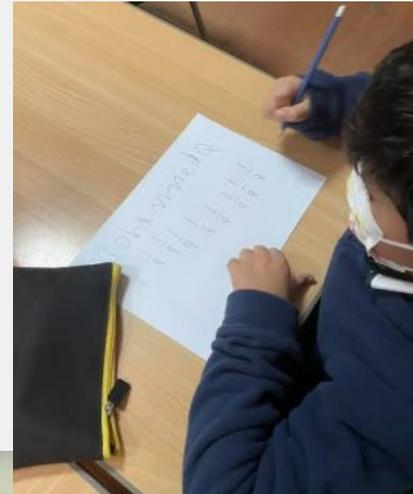

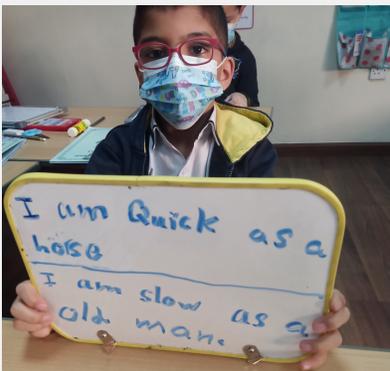

6 Red - Asma Suhaib

6 Green - Al Maha Emadi

6 Blue - Raimah Aslam

One day there was a girl called Haya. She wanted to go on a safari hunt. She wore a hat and a satey, boys she went. She saw a lion it was friendly then a zebra it had stripes on its back. She continued walking she it hungry and thirsty she saw a tree and ate an apple and a cactus and drank some water from it. Oh no! A lion is chasing me. Ahhh I saw a man. Have you saw a lion? I said yes. It was the man's pet. Then there was a storm. Oh my! I got a plane and got away.

This week Year 2 have been poets, we have created our own puppets in Art and used these to perform our poems we wrote in our English lessons. Not only have we been poets but also looking at fractions in Maths and working out what fraction our names are!
