

# Newton International School, D Ring

*"An International community of learners striving for excellence and celebrating success."*

## Newsletter October 2021

**Year 5 enjoyed an Ancient Egypt Topic Day where they celebrated all of the learning they had completed during the topic.**

**Early Years have been exploring different colours and materials in their topic this half term. Children celebrated Colour Day by dressing up in their favourite colours to express what colour means to them.**

## Welcome

We would like to welcome you all to our Newton Newsletter October 2021.

It has been a fantastic mid-term with the biggest highlight without any doubt- having classrooms full of learning and break time chatter with the resumption of 100%.

Pupils have settled well back into school and it is lovely to be able to share with you some of their achievements this term.

We at D-Ring take pride in all we do, from the safety and protection against Covid to the warm, familiar and family atmosphere we strive to create. We celebrate success!

**Year 6 celebrated their learning through a World War 2 Topic Day where they completed lots of activities including making their own gas mask and running to shelter during an air raid.**

**Year 1 are becoming confident with numbers from 0-10 and have enjoyed drawing their own number lines.**

**Year 4 have been getting stuck into their geography topic by using atlases to complete map work.**

**Year 3 have been practising their skip counting using cups and using their place value knowledge to solve mathematical problems involving sweets.**

Year 6 completed an experiment researching how animal adaptations help them to survive in cold weather conditions. They first filled buckets with ice. Children had one hand in a bag of lard and one bare hand in the ice. We discovered that the hand with the layer of lard/fat was able to withstand the cold for longer.

**Year 2 have been using Cinderella as their English topic this term and were hooked into their writing when they arrived to school to find a pumpkin, mouse, wand and trail of glitter.**
