

At NBA Al Dafna we follow the English National Curriculum, which is adapted to meet the requirements of Qatar's Ministry of Education.

We teach an interactive, inclusive curriculum that allows students to learn through play, activities, paired and group work on a regular basis. We not only teach students to revisit and recall but to ask questions, explore, assess and evaluate their learning.

The inclusion of subjects like P4C (Philosophy for Children) and CE (Character Education) allows our students to develop personally into thoughtful, inquisitive, kind and compassionate individuals.

At NBA Al Dafna we aim to nurture a child's character as well as their mind.
