Meet your counsellors

Y1-6 STUDENT COUNCIL

Our Mission Statement

'We are an international community of learners striving for excellence and a celebrating success'

What To Bring

Please remember to check our stationary list for all of the resources you will need. All resources and uniform should be labelled. Always remember to bring your water bottle each day. Year 6 requires a protractor and ruler and a glue stick especially. If your teacher gives you any important letters, please bring them back as soon as possible.

Important Information

As a council we meet on the final Thursday of each month in Mr. Carlin or Mr. Nesson's classroom for our monthly meeting. As councilors, our main role is to represent the students in our class and make sure their opinions and concerns are heard. We help organise school events like assemblies, awareness campaigns, and celebrations. We also work with teachers and other council members to plan activities that can improve the school environment. Whenever students have suggestions or issues, we bring them to the meetings and help discuss possible solutions.

We try to encourage more student participation in school events and promote teamwork. Overall, our job is to help make our school a better and more enjoyable place for everyone.
