Our Mission

We aim to provide the highest quality of education possible for students of all abilities. In doing so, we aim to positively encourage each student to achieve academic excellence, enjoy creative diversity, develop critical thinking skills and become lifelong learners and responsible citizens.

We will provide and maintain a calm, trusting and caring atmosphere where teaching and learning are meaningful and developed. We will work in partnership with our staff, students, parents and wider community to achieve our vision.

All students attending Newton British School are required to wear the correct school uniform. There is no negotiation on this point. The Newton uniform is designed to be simple, distinctive and easy to obtain. It is primarily the responsibility of the class teacher to monitor compliance with the school uniform. However, all staff will ensure that students comply with the school's uniform policy. Students must adhere to these standards inside and outside school.

Rationale

- Promotes the Newton name outside of school
- To encourage respect amongst the staff and students.
- Students should wear their Newton uniform as a representation of their school pride
