EXTRA CURRICULAR ACTIVIES

Our Amazing Afterschool Clubs!

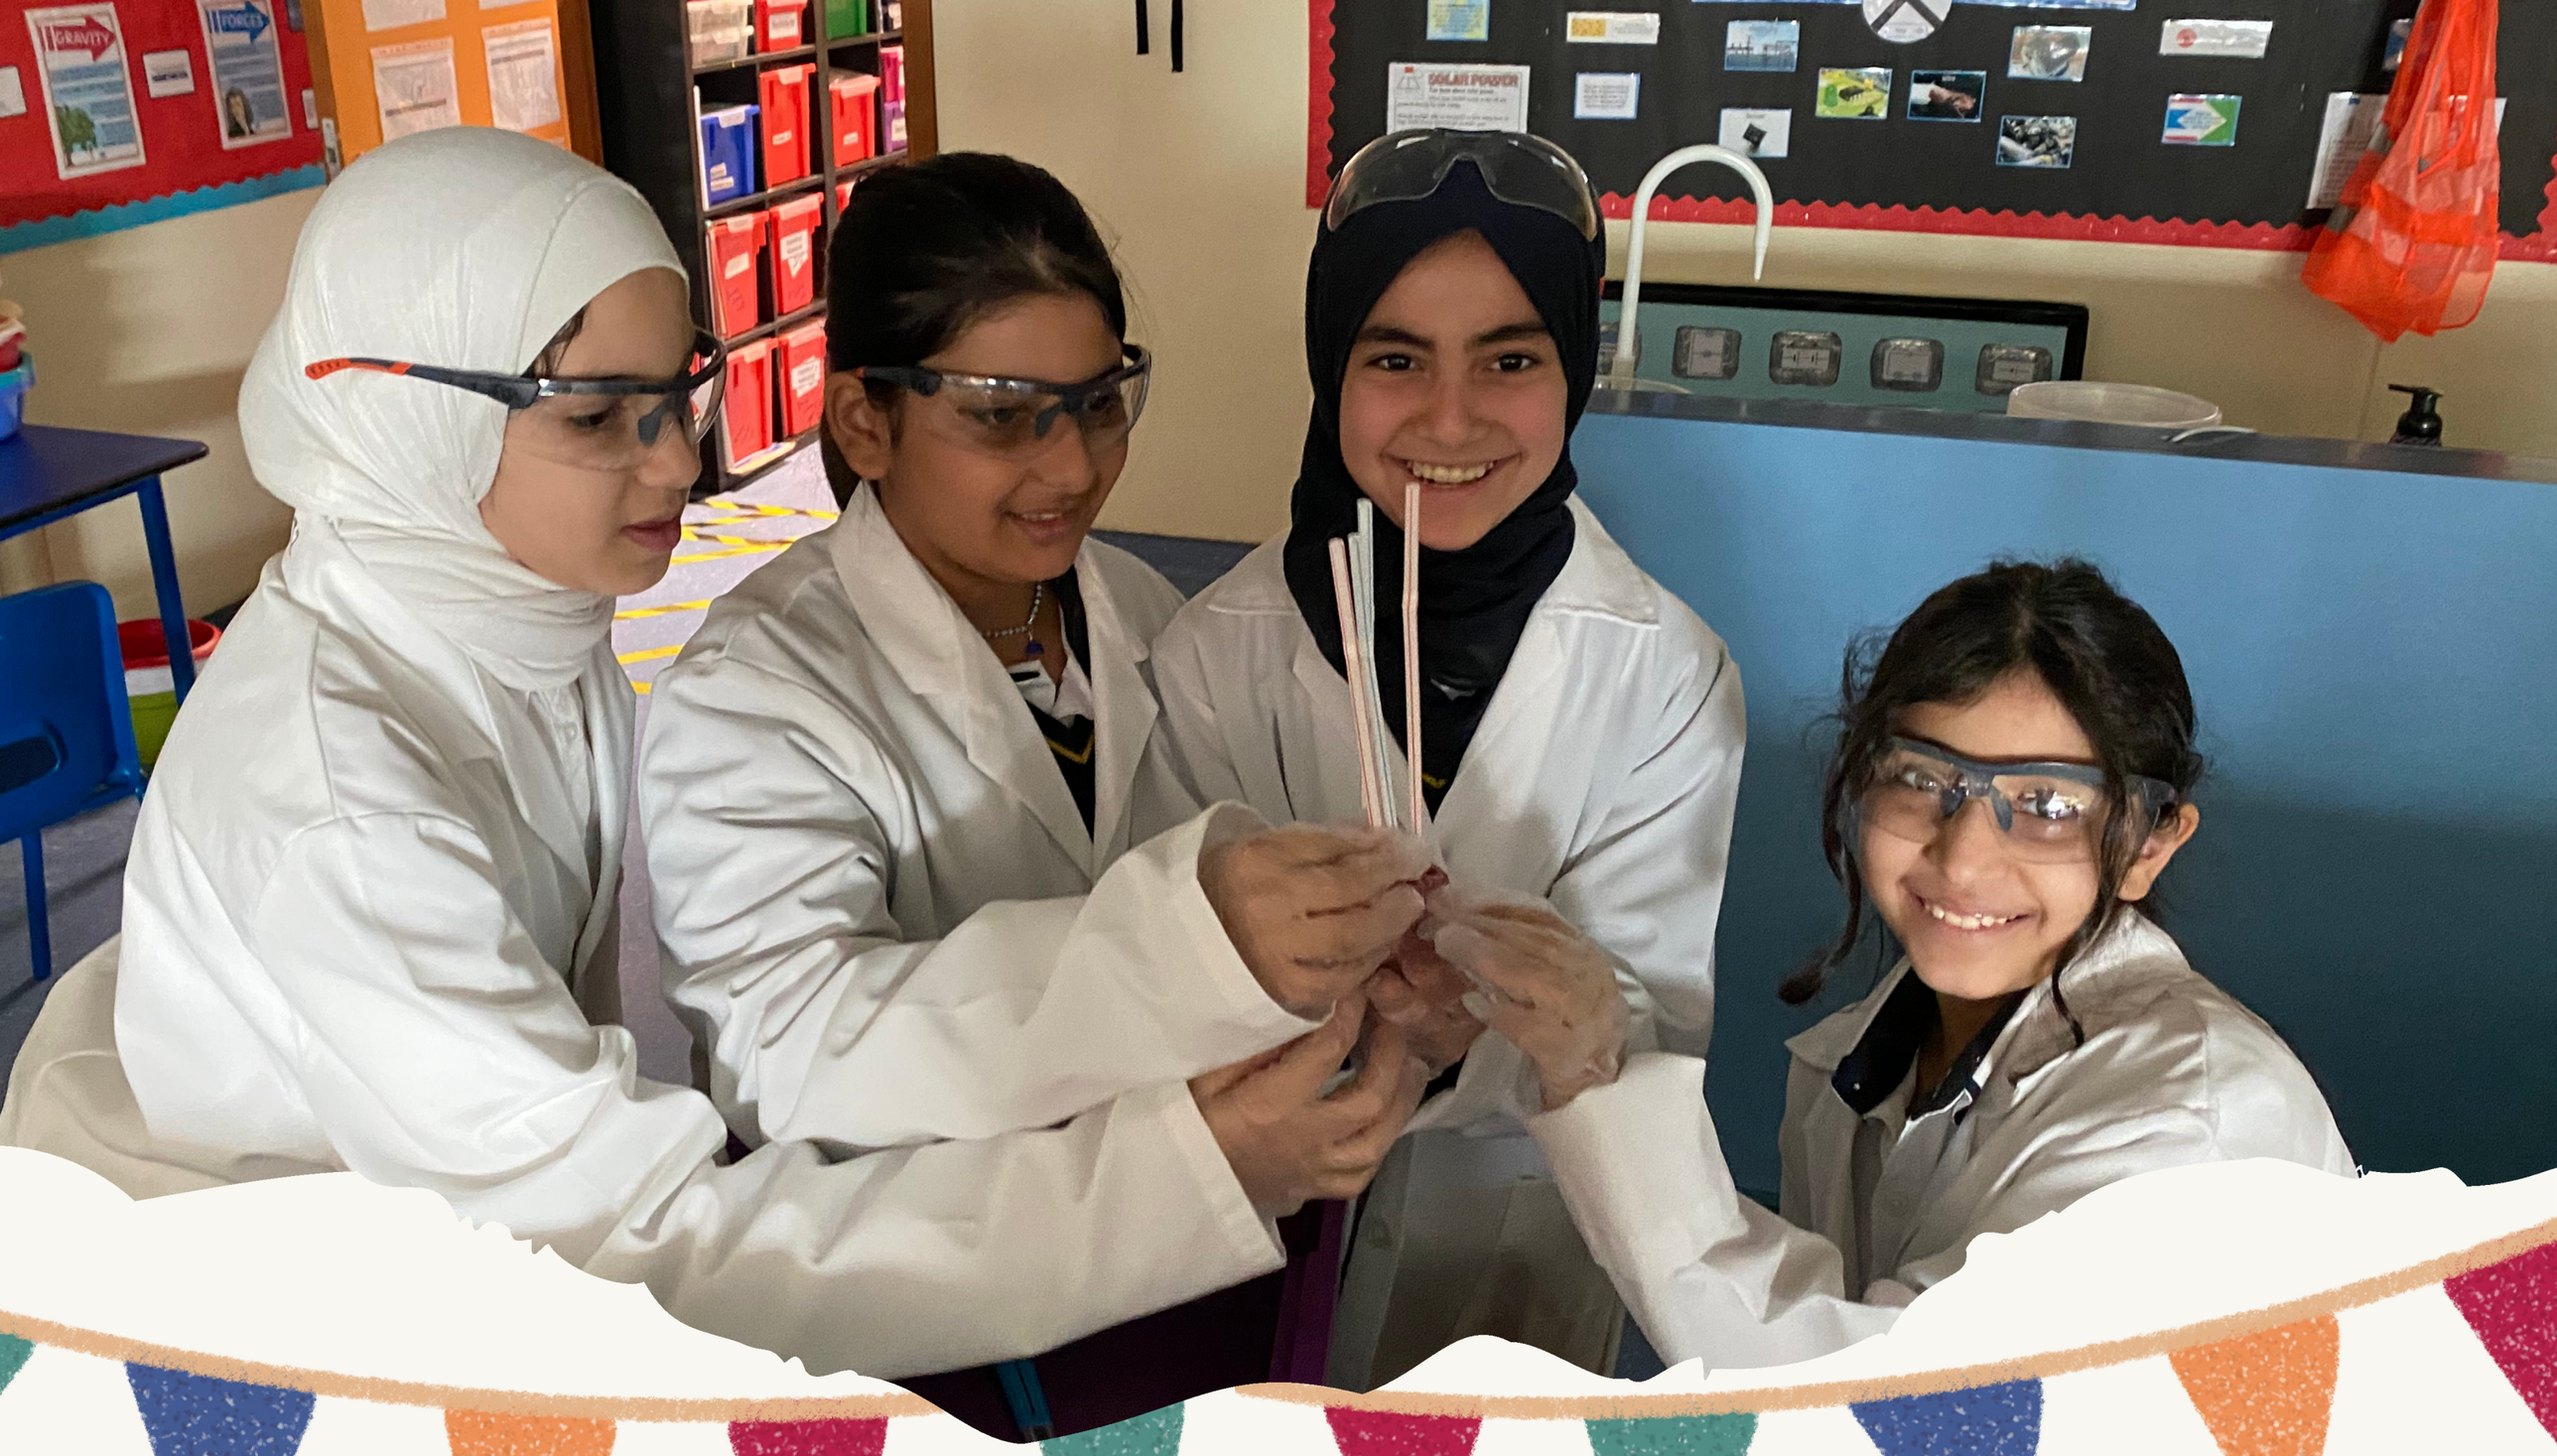

NEWTON INTERNATIONAL ACADEMY | BARWA

EYFS and Primary ECAs

At Newton International Academy, Barwa, we are proud to offer a vibrant and diverse range of Extra Curricular Activities that run throughout the week, enriching our students' school experience beyond the classroom.

From creative outlets like choir, ballet, and our student-run newspaper and podcast club, to intellectually stimulating options such as debate, our ECAs cater to a wide variety of interests and talents.

For those who enjoy being active, we offer yoga, swimming, and gardening club, promoting both physical wellbeing and a connection to the environment. These activities not only help our students develop new skills and passions, but also build confidence, teamwork, and a strong sense of community.
