

3th September 2026

Dear Parents/Guardians,

EXTRA-CURRICULAR ACTIVITIES – Term 1

We are pleased to inform you that we are having an extra-curricular activities program which will start on Sunday 13th September 2026. These activities will take place throughout term 1 and do not involve any extra cost. All students can choose from a variety of activities (please see the table). Activities will be run across the week.

We intend to offer a variety of different activities and revision sessions in order to give each child a chance to take part in something they enjoy and need. Team practices are listed on the schedule however students **must attend and pass team trials** in order to be selected for the team (team trials will take place **over the next two weeks** during the team practice slots).

If you wish your son/daughter to take part in our extra-curricular activities, please fill in the information below and return this form to your form tutor. All our sessions will work on a first come first served basis so please be fast in your response. Please also be aware that if any of the sessions are under subscribed, those sessions may be removed from the Extra Curricular calendar.

Please do not hesitate to contact the school for any further assistance or if you have any suggestions or questions regarding anything to do with the Extra Curricular Activities.

Yours sincerely,

Ms. Claudia Martins
Head of Secondary

Please return this form to your tutor by 10th September 2026.
