

News and Updates

EYFS

Our EYFS children have settled beautifully into the new school year and are confidently embracing their daily routines. Staff have been delivering fun and engaging learning experiences, with our shared atriums thoughtfully set up to reflect current topics and our outdoor learning spaces beginning to take shape. We also enjoyed celebrating World Literacy Day, with F1 going on an exciting sensory Bear Hunt, while F2 explored literacy through phonics sound hunts, mark making, storytelling, role play and story sequencing. It has been a wonderful and busy start to the term!

KS1

Our KS1 classes have settled in wonderfully, with classrooms full of enthusiasm and eager learners. The children are already embracing new routines, while teachers are building strong bonds with their pupils, creating warm and supportive learning environments. It has been a fantastic start to the term for both staff and children alike.

News and Updates

KS2

Across the Key Stages, we celebrated International Literacy Day on Tuesday 8th September where we explored, through P4C, how literacy connects people in the work and the importance of advocacy. We weaved the theme of literacy into our Guided Reading texts.

SMT Updates

We are delighted to introduce Ms Jane Vantor as the new EYFS Coordinator at NIS West Bay. Ms Vantor will be leading and supporting our Early Years Foundation Stage, working closely with staff, children and families to ensure our youngest learners have the very best start to their educational journey. We are excited to welcome her to this important role and look forward to the positive impact she will have across our EYFS community.

Events

We were delighted to celebrate the first week of our new staff members at NIS West Bay with a special welcome breakfast at Boho Social, Katara.

It was a wonderful opportunity to come together, get to know one another, and celebrate the start of an exciting new chapter.

A big congratulations to all those staff members who have been with us, as part of the Newton Group, for the last ten years or more. To mark the end of our staff prep week, we hosted a Newton Westbay Staff Quiz before celebrating those with ten years of more experience.
