Principals Message

What a very busy term we have had so far. One of the most important changes we have experienced this term is being able to fully welcome parents back into school to share your child's learning.

The wonderful community feel that D Ring has always been proud of is now returning as the restrictions of COVID have been relaxed. Thank you for joining us in in the parent meetings, events, assemblies, coffee mornings and many parent meetings that have taken place this term. We cannot thank you enough for your support and feedback.

This week we have been enjoying Sports Week in school and again lots of parent support taking the role of cheerleaders!

This month we are celebrating our Qatar Values with I spread Health Awareness in my Community. A great conversation to have at home with your children is how we spread the message of Healthy living within our home.

As exams approach it is important we focus on the mental wellbeing of our children. Remember that the grading is a combination of how children perform not only in exams but in class on a daily basis. Set a clear plan in place that gives your child time to study in a calm and quiet space, also lots of time for play and rest.

Reminders

School Fair 24 February

Exams 26 February - 6 March

> Reports 9 March

End of Term 9 March

Start of Term 3 19 March

Value of the Week Resilience

Why do we need to be resilient?

A special thank you to Ms Nicholas, Mr Goodman and their team of helpers!

Supporting our

Community

On behalf of the school and Parent Council we would like to thank you for the support in donating to support families in Turkey and Syria.
