### F2 Student Council Edition

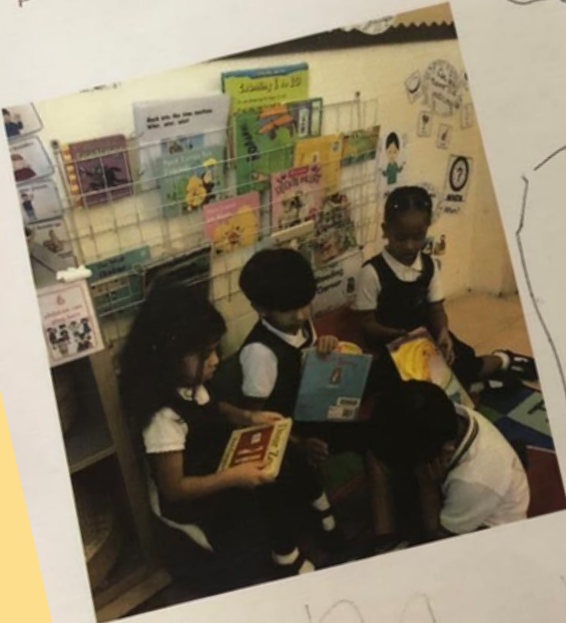

Hello we are the F2 Student Council for Early Years at Newton West Bay. As ambassador's for our phase we help to think of ways to make our school 'more fun' and 'look nice'. We have already helped our F2 student Leader Ms Charlotte plant lots of flowers in the garden to make our playground look more colourful. This week we wanted to show you what has been happening at Early Years in all the classes. We went round all the classes and took photos of the activities we saw happening. Last weekend we attended a free trial at 'My Gym Qatar'. They have different classes for all ages which focus on building children's coordination, core strength and gross motor skills. We tried the terrific gymsters for 2-3 year olds and Ninja Worriers for 5-12 year olds. Both classes were fantastic and worked on each child's individual needs to develop their ability. They are currently offering special Ramadan Prices and a free trial session.
