

School Policy for the Bus Service

Parents who would like to use the bus service must complete an application form which can be collected from school (see appendix 1)

The application form highlights the 'terms and conditions' from the company and a signature from the parent confirms the agreement to these.

Responsibility of Parents

Parents can promote school bus safety in the following ways:

Discuss with your child the bus safety rules, the content of this document, particularly the responsibilities of the pupils.

Provide extra help and guidance during the first several weeks of school, especially for Early Years, Year 1 and Year 2 pupils.

The pupils must have a good understanding of the behavioural expectations while waiting for the bus, as well as on board; what to do when the bus is late, etc. Safety is of utmost importance and should be emphasised by parents. It is important that the parents go through the ministry instructions for when 'pupils are forgotten inside the school bus.' (see appendix 2)

What parents should be aware of regarding school bus service:

- Pupils should be at the bus stop at least 5 minutes before the normal pick up times.
- Parents are responsible for pupils until they board the bus and following drop off at their designated spot.
- Parents will be responsible for willful damages to school buses caused by their child/children.
- Provide written note/phone call to the school, if your child is to return home by any other means and is not to take the bus home at all.
- Do not give your child food specifically to eat on the bus-no eating allowed-only water.

Responsibility of the pupils

Pupils using the bus must remember they are responsible for their behaviour and must follow instructions from the bus driver and bus supervisors at all times.

- The driver and the supervisor are in charge of the bus and their instructions must be followed.
- The driver will report any misconduct to the bus coordinator and the Head of Primary

- The supervisor may assign specific seats to pupils

- Pupils must not eat on the bus or hand out any food to other pupils
- While on the bus, pupils must conduct themselves in a quiet and courteous manner, showing consideration for the comfort and safety of others.
- Pupils deliberately causing damage to the bus will be held responsible.
- When leaving the bus, pupils must follow the supervisor's instructions.

Pupils conduct on school buses

Bus drivers and supervisors are responsible for the safety and conduct of the pupils while they are on the bus.

Pupils using the bus are expected to give the bus driver and supervisor respect and cooperation, and always and immediately carry out their instructions.

If a pupil chooses to break a rule, the following processes may be applied:

- Pupils warned by the supervisor and the bus coordinator informed
