

Foundation 1

Term 1

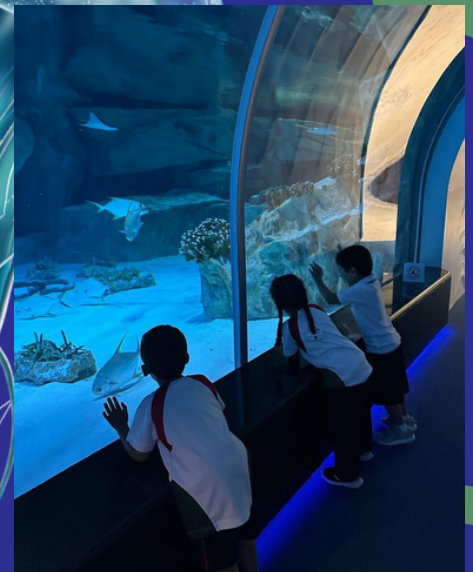

This Term's News

This Term, the children have been busy settling into their new school. They have done exceptionally well, and you, their parents, should be proud of their achievements so far.

In Phonics, we focused on recognising different sounds in the environment. We explored sounds made by our bodies and musical instruments to understand how sounds can differ. We began learning the letters sounds s, a, and t.

In Talk for Writing, we explored the story 'Owl Babies'. We introduced the story to the children by building their excitement with a 'hook'. The children practised retelling the story using actions and a story map. The children were inspired by our trip to the aquarium to innovate the story, and we changed it to 'Aquarium Animals'. The children came up with new actions that helped them retell their innovated story.

In Maths, we have been singing number rhymes and beginning to use mathematical language such as 'more', 'less', 'full' and 'empty'.

Special Events

The children went on their first trip to the aquarium. They went to the 4D cinema to learn all about Hamad Port and how it was built. They then explored the aquarium, where they saw lots of different sea animals. They saw jellyfish, starfish, sea snakes, a baby shark and lots of different kinds of fish. The children loved their first trip of the year.

The children began their first Talk for Writing, 'Owl Babies'. Before we began the story, the children found an owl's nest in the school. It had 3 eggs inside and the children could see the owl's shadow on the roof. Each day, we went back to see if the eggs had cracked. The children's language and imagination skills were fantastic as they came up with many different ideas on why there was a nest and where the owls went when the eggs cracked. This sparked the children's enthusiasm for our story.

Coming Up In Term 2

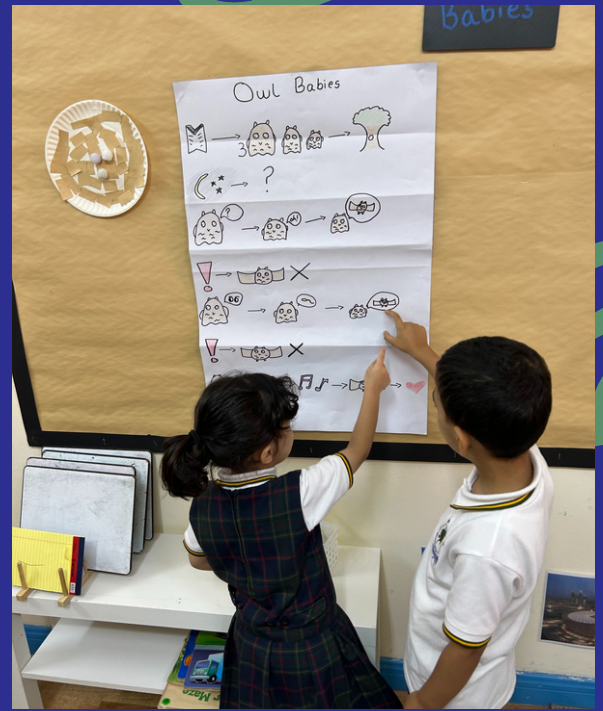

Next term, Foundation 1 classes will go on a school trip to Baladna Farm. We will also be visited by the Build a Bear company.

The children will take part in Science Week and Sports Week.

The school will host our annual School Fair Day, where you can participate in many different games and activities with your family.

In Term 2, the Foundation 1 teachers will organise a parent's workshop focused on phonics. We will give you an overview of the phonics programme we use, how we implement it in our classrooms, how you can support this learning at home, and the importance of phonics to your child's learning.

Parent-teacher meetings will be held on the 14th and 15th of January.

Foundation 2

Term 1

This Term's News

In Term 1, F2 have worked so hard within their Phonics. The children have been learning to recognise, read and write letter sounds. They have made v..v..volcanoes and j..j..jam sandwiches. The children are now starting to read and write words through a variety of hands-on activities, such as printing letter sounds into playdough to build a word.

In Maths, the children have focused on recognising, representing and comparing numbers to 5. They have also been learning about 2D shapes and patterns. The children have gone on shape hunts around the school.

In Literacy, the children have been learning to retell the story of 'Goldilocks and the Three Bears'. Their learning began when they found a letter in their classroom and some clues the bears had left! Inspired by the story, the children created artwork and story maps and labelled their drawings of bears. Each F2 class have also innovated the story using their own amazing ideas.

Special Events

F2 has had such an exciting first term in school. The children had lots of fun on their trip with the Doha Bus Tour, where they travelled around Doha to visit MIA Park and Souq Waqif. The children were so surprised to find the three bears hiding around Doha waiting for them. The children all behaved excellently, and their teachers were so proud of them.

We have also celebrated Book Week, where F2 were thinking all about the story 'Giraffes Can't Dance'. The children enjoyed making giraffe cookies to eat whilst listening to a story. They also had lots of fun coming into school in their cosy pyjamas and dressing up as their favourite story costume.

The children also enjoyed participating in our House Day games and races, where all the F2 classes competed against each other to earn points. It was a super day which promoted teamwork across the year group!

Coming Up In Term 2

In Term 2, we are so excited to be taking F2 on a trip to Heenat Salma Farm, where the children can participate in lots of hands-on experiences and learn about a working farm. The date of the trip will be confirmed in Term 2.

As a whole school, we will also celebrate Science Week and Sports Week in Term 2.

The F2 teachers will hold a parent workshop based on Maths learning in F2. This will be an excellent opportunity to understand how the children in F2 learn the different mathematical concepts and support parents with how to help their children at home.

F2 Teachers will also hold Parent - Teacher meetings on the 15th and 16th of January.

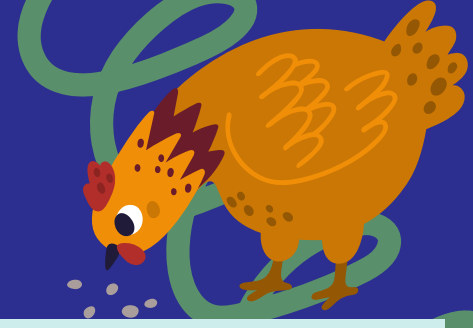

Year 1

Term 1

This Term's News

Term 1 has been a great success for Year 1, and we are very proud of everything they have accomplished! The children have enjoyed learning about 'The Little Red Hen' in English this term. We learnt the text and created actions and the children then used their imagination to invent their own story where they changed the characters and setting. They have worked especially hard during Phonics lessons, where they have been blending and segmenting words.

In Maths, we have been learning addition and subtraction to 10. We have enjoyed creating number sentences up to 10. Year 1 has shown great independence and fantastic behaviour when moving around the school!

In Science this term, the children enjoyed learning about animal groups. They especially enjoyed learning what animals eat and their titles: carnivore, herbivore and omnivore.

Special Events

We went on a school trip to the Oli Oli Children's Museum this term. The children had the best day and enjoyed exploring water and air. They most enjoyed creating their own pictures and then having them reflected onto the wall where they had to find their own work.

We also celebrated Book Week, where the children enjoyed reading Julia Donaldson's books. Our favourite book was 'The Gruffalo'; the children have enjoyed reading it repeatedly. They also dressed up as their favourite book character and enjoyed the Parade around school.

This term was busy with many fun days, and we ended it with House Day. The children were excited to be dressed in their house colours. They enjoyed all their games and focused on team building to work with their housemates.

We are looking forward to more special days in Term 2!

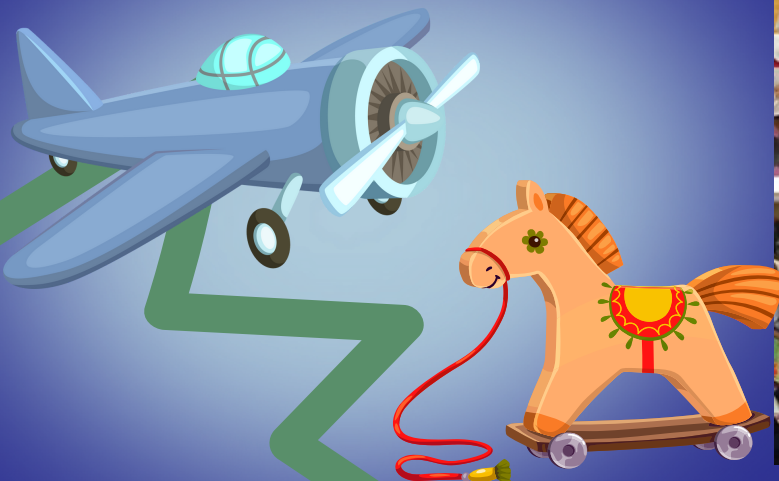

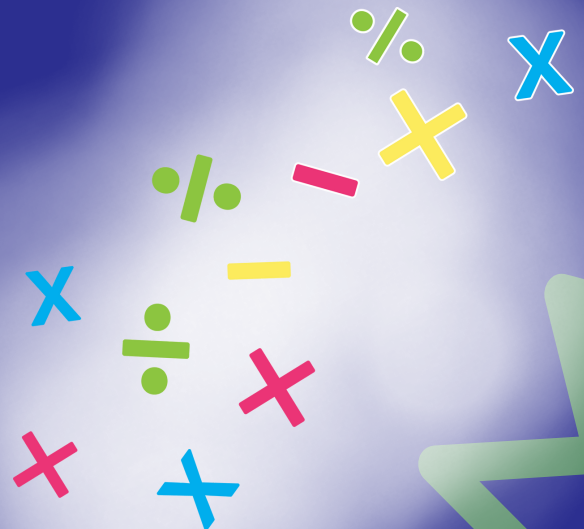

Coming Up In Term 2

We are planning another trip for next term, which will be educational and fun and allow the children to learn outside the classroom. We will give you more details about the class trip nearer the time.

In Mathematics, we will be adding and subtracting numbers to 20. We have worked very hard on addition and subtraction this term, so we are excited to work with bigger numbers next term!

In English, we will begin looking at instruction writing and why we use instructions. We will have a fun topic around this, which we are excited to share with the children.

In Topic we are looking forward to learning all about 'Changes in living memory' by comparing toys from the past in our History lessons. We will be looking at what toys looked like and what materials they were made from. Many new lessons and exciting learning will take place in Term 2!

Year 2

Term 1

This Term's News

Year 2 has been very busy in English this term, learning about Little Red Riding Hood. We created actions to go along with the text and the children used their imagination to innovate and invent their own story. Year 2 have been very successful with their phonics classes this year and it has been great to see so many of the children progress.

In Mathematics, we have been learning about addition and subtraction and the different ways we can partition numbers. We have also loved learning about shapes and their properties. Year 2 participated in many practical mathematical activities this term, such as going on a shape hunt around the school and creating pictures made out of lots of different shapes!

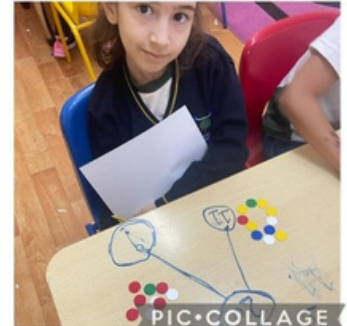

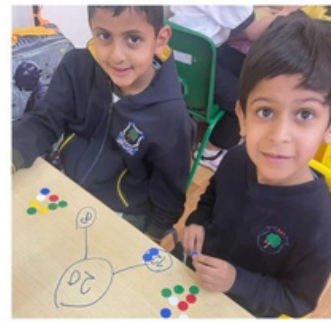

Special Events

This term, we celebrated Book Week at NBS Al Waab. Year 2 loved learning about their author Julia Donaldson and her book 'The Smeds and The Smoos'. We really enjoyed coming into school in our pyjamas and participating in other Book Week activities, such as making reading glasses and reading with the older children in KS2.

Year 2 visited the Qatar National Museum where we learnt about Qatar's rich heritage and culture. We were given a tour around the museum to see Qatar's past, present and visions for the future. After the museum, we got to eat lunch in the park.

NBS Al Waab held their first-ever house day! We got to sit and eat lunch with children in our houses across KS1 and learn the history of our house name. Later in the day, we got to participate in various games wearing our house colours, which required good communication and co-ordination.

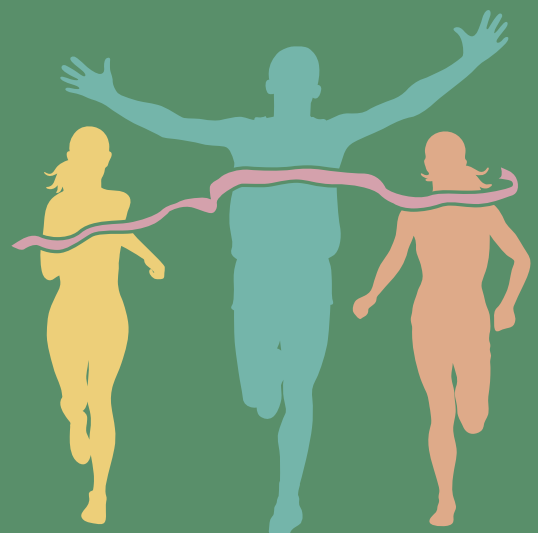

Coming Up In Term 2

There will be so many interesting new lessons and topics to look forward to next term. NBS will celebrate Science Week, where the children look forward to participating in Science experiments. We will also celebrate Sports Week, during which the children will participate in various races and games.

In English, we will be learning about the features of a report and how to write a report on a camel. We will then take the knowledge we have learnt to write our own report on an animal of our choosing. We will learn about money, multiplication, division, mass, capacity and temperature in Mathematics.

Year 2 will also look forward to another school trip in February. We will give you more details closer to the time.

Year 3

Term 1

This Term's News

We want to express our gratitude for your ongoing support in Year 3. In Year 3, we want to help students improve at school and how they ask questions, work with others, and make friends. We expect them to try their very best in everything they do.

The students have embraced Term 1, adapting to the pace of Year 3. Throughout this term, they have actively participated in enjoyable science experiments, celebrated House Day, and immersed themselves in an engaging and exciting Book Week. In English, they wrote their own traditional tale while exploring topics such as column addition/subtraction and multiplication in Mathematics.

As we look ahead to Term 2, we encourage the children to read daily at home with an adult and to sign their reading records; reading is vitally important for developing comprehension skills.

Special Events

Year 3 had an exciting start to the year with Book Week. The children's novel was *Matilda* by Roald Dahl, which we completed many stimulating activities about in class. The children especially loved it when they brought in their blankets and snacks, and we read and watched the film *Matilda*. Everyone got to dress up as their favourite book character and it was great to see so many parents cheer on their children in the Parade!

The children thoroughly enjoyed their Term 1 trip to 'KidZania,' immersing themselves in hands-on experiences of real-life occupations. This engaging adventure sparked their curiosity and instilled a sense of empowerment as they discovered how their unique contributions could positively impact the world around them.

During 'House Day', the pupils came together with children from all of KS2 from their house groups and played basketball and hockey against one another. Everyone had lunch outside with their houses, which was a lovely idea, and all the children thoroughly enjoyed it.

3 Green also did an excellent job with their class assembly on Recycling and saving our planet Earth!

Coming Up In Term 2

We have an exciting Term 2 to look forward to. Year 3 will explore the Museum of Islamic Art for their Term 2 school trip. The children will experience the showcase of Islamic art spanning 1,400 years, fostering cultural appreciation and making it an engaging and enlightening place for a school trip.

We have many specialists' weeks, including Science Week and Sports Week. The children love creating investigations and experiments during Science Week and participating in many thrilling games during Sports Week.

We will also have our School Fair, which promises to be a fun experience for students. It will offer a vibrant atmosphere filled with diverse activities, games, and attractions that encourage social interaction and promote a sense of community in the school.

Finally, we will continue our KS2 Class Assemblies with 3 Blues in February.

Year 4

Term 1

This Term's News

Year 4's Term 1 was a whirlwind of excitement! We connected history and English in a thrilling way, stepping through a special portal to travel back to the Viking era. Dressed as Vikings, we dove into their world—learning about their writing and lifestyle and conducting fascinating research. This experience helped us grasp what a portal is, preparing us for our writing task. Then, we had a special mission: to assist the Storm Unicorn stranded in Qatar! This sparked our interest in this mythical creature, leading us to craft non-chronological reports. Researching our mythical creatures followed, making report writing a blast! Alongside these Talk 4 Write adventures, we delved into some amazing home science projects exploring the digestive system and the water cycle. It was an action-packed term full of learning and fun!

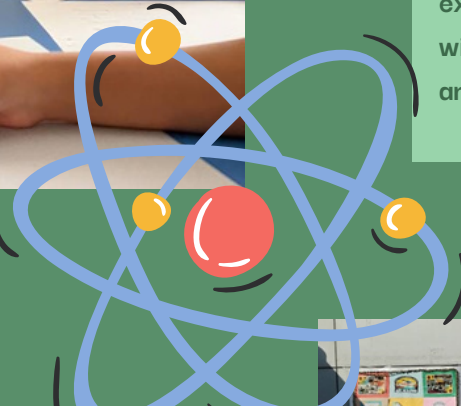

Special Events

In Year 4, the children had lots of fun celebrating Book Week this term. The children spent a lot of time reading in school and at home. They loved our class novel for the week, reading all about Geronimo Stilton's adventures. They attended the book fair, explored many different authors, and purchased some new books. Our favourite part of the week was our Bedtime Stories Day, where we came to school in our cosy clothes with blankets and teddy bears, ready to listen to lots of stories whilst eating popcorn! We recently participated in House Day, fostering teamwork as Year 4 engaged in basketball and hockey tournaments against other houses. The highlight of Term 1 was our incredible trip to Angry Birds World. The children were so excited to explore the theme park; they couldn't wait to challenge their teachers on the rides, creating unforgettable moments of bravery and fun.

Coming Up In Term 2

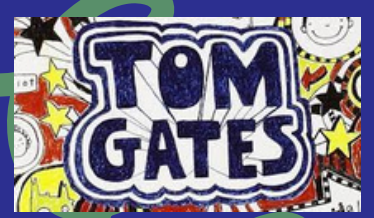

Next term, we're getting ready for another genre of writing with a captivating new hook, immersing the children into the art of creating playscripts. This genre will spark their drama skills as well as their writing. Alongside this, we have another school trip planned to the Qatar National Museum, offering a hands-on exploration of sports history and achievements, sure to inspire and educate. We will also celebrate Sports Week; we can't wait to engage in various sports activities, promoting teamwork and a healthy, active lifestyle among our students. Another fun week in Term 2 is Science Week; it will be filled with captivating experiments and scientific discoveries. Next term will be full of opportunities for learning, creativity, and fun; we can't wait to begin all our new topics.

Year 5

Term 1

This Term's News

As we near the end of Term 1, we proudly look back on the many achievements and progress our Year 5 students have made. This term was about doing well in our studies, developing a love for learning, and forming close connections within our school community. The students worked hard, and with the constant support of parents and the dedicated efforts of our teaching team, this term has been full of memorable moments.

The Year 5 children learned about many different topics this term; a particular highlight was learning all about Earth and Space in Science. The children even had the opportunity to design their own telescopes and present them to their classmates!

The children also enjoyed gaining a glimpse into the lives of the Anglo-Saxons in History. The children learned all about different aspects of their lives. They particularly enjoyed designing their own Anglo-Saxon artefacts.

Special Events

During Week 6, NBS celebrated Book Week. Book Week at our school was a literary adventure all about promoting a positive attitude towards reading! During the week, the students set out on an enjoyable treasure hunt, created their own unique pair of reading glasses and took part in a variety of games and quizzes all about the books that we love to read. The children enjoyed visiting the book fair in the school gym that week and it was great to see such a positive attitude towards reading.

On November 8th, the Year 5 students had a fantastic day at 'Bounce' Trampoline Park in Tawar Mall. The children laughed and played as they bounced through a day of thrilling jumps and flips, promoting teamwork and physical activity. This was a fun-filled trip, creating lasting memories.

This term at NBS, we celebrated our first 'House Day' of the year. This was a chance for the children to interact and become more familiar with other children in the school in the same house. To end the day, the Year 5 children participated in a football tournament in which the houses Bell, Curie, Edison and Wright battled it out to become the House Cup winners.

Coming Up In Term 2

There is much to look forward to in Term 2. The new year brings new learning opportunities and the Year 5 children will learn about interesting topics: The Ancient Greeks in History, forces in Science and myths and legends in English. Term 2 will also bring more memorable days and weeks to NBS: Science Week and Sports Week.

Science week is always an enjoyable week for the children here at NBS. The children will participate in many different activities and experiments, allowing them to become scientists and develop a love of Science.

Sports week is a hugely popular week among our children. The children will participate in various games and activities throughout the week. The goal of this week is to promote a healthy lifestyle filled with exercise.

Towards the end of Term 2, the Year 5 children will be going on their second school trip of the year. This time, their destination will be the Museum of Islamic Art. This will undoubtedly be an exciting and enjoyable day out full of learning.

BOUNCE INC
FREE SPIRITS UNLEASHED

Year 6

Term 1

This Term's News

As a significant and event-filled term draws to a close, we applaud our children's resilience and positive approach to their learning journey. Throughout this term, the Year 6 students have delved into various subjects. One standout moment in their educational experience was their exploration of electrical circuits, which was a notable highlight. They connected to this theme and constructed incredible toys using recycled materials incorporating circuits. Their engagement with World War II history was also captivating, encompassing its origins, involved parties, and the impactful battles that unfolded. Exploring the intricacies of the human body's different systems was another focal point, as the children crafted impressive models to share with their peers. Overall, it has been a successful first term for the Year 6 students, and they should take pride in their accomplishments.

Special Events

Children had a fantastic Book Week, commemorating the significance of books and emphasising the value of reading. The week was filled with diverse activities, such as visiting the book fair and engaging in the photo booth, alongside buddy reading sessions and captivating storytelling events, offering something enjoyable for everyone. Memorable moments like the dress-up parade, bedtime stories, daily teacher-led reading sessions, and the use of 'reading glasses' for reading activities made the week truly special.

On October 4th, Year 6 proudly represented NBS at Sherborne Preparatory in a competitive basketball match. Both boys and girls from Year 6 exhibited determination and respect as they engaged in a thrilling contest.

NBS hosted a thrilling football tournament on October 9th, welcoming teams from Al Dafna and Lagoon. The tournament highlighted the positive impact of team sports, making it an exceptional afternoon.

A quiz for gifted and talented children across the Newton campuses was held at NBA Al Dafna on October 18th. Covering subjects like Mathematics, English, Science, History, Geography, and Qatar General Knowledge, the quiz saw the participation of four children from NBS, including Year 6 students Abdulatif Al Tabba and Mariam Wisam, who commendably secured the 3rd position.

This term, an Anti-Bullying Day was observed, where children wore odd socks to raise awareness against bullying. The enthusiasm displayed by the children during this event was truly heartening.

Introducing our first Inter-House Day this term, children had the chance to sport their house colours, enjoy communal lunches with their teammates, and end the day with exhilarating football matches between the houses to determine the champions.

A standout experience for Year 6 was their visit to The Hamad Port Visitors Centre, where they learned about marine life within the port and gained insights into its daily operations. Undoubtedly, the highlight for many was the fascinating 4D cinema experience.

Coming Up In Term 2

We are eagerly anticipating an incredibly thrilling Term 2 ahead! Science Week, scheduled for January 21st, is a highly anticipated event where children immerse themselves in science, conduct fascinating experiments, and embrace their inner scientists. Following that, starting February 11th, we'll dive into Sports Week—a time filled with joy and excitement as the children enthusiastically participate in various sports activities, showcasing their talents. In an exhilarating February trip to Quest, Year 6 students will engage in adventurous activities, marking an unforgettable experience. After which, we will gear up for our end-of-term assessments. We eagerly await the upcoming term, filled with enriching experiences and enjoyable moments shared with the children.

ICT

Term 1

This Term's News

We're excited to share the incredible journey our Key Stage 1 (KS1) and Key Stage 2 (KS2) students have had in their ICT classes focused on word processing and online safety.

KS1 :

Our young learners in KS1 have been busy honing their word-processing skills! Our Word Wizards have shown remarkable progress, from mastering the basics of typing to creating simple documents.

KS2:

Our KS2 students have taken word processing to the next level, becoming Masters of Multitasking. They seamlessly integrated text, images, and formatting to produce dynamic documents, showcasing their proficiency in handling multiple elements within a project.

Online Safety: KS1 && KS2

Equipping our students with essential online safety skills has been a top priority. Through engaging lessons and discussions, our KS1 and KS2 students have emerged as Online Safety Guardians, understanding the importance of responsible internet use, privacy protection, and digital citizenship.

Coming Up in Term 2

Key Stage 1 children will be learning about programming and coding.

Key Stage 2 children will learn about presentation, coding and creating documents using technical ICT.

See you in
Term 2!
Mr. Garchi

French

Term 1

This Term's News

- Year 3**
Year 3 students started their journey through Rigolo with greetings, asking and saying their names and how they are. They counted to 10 and asked and answered questions about their age. They also learnt classroom objects, commands and colours.
- Year 4**
Year 4 students learnt how to describe people, how they look and how they use various adjectives. They talked about different leisure activities and learnt how to tell time to the hour.
- Year 5**
Year 5 students talked about their favourite school subjects and gave reasons for their preferences. They learnt about the timings of the school day and used "quarter past, half past and quarter to" in their discussions.
- Year 6**
Year 6 students learnt about sports and expressed their opinions about different activities. They also learnt about clothes and their colours. They can count to 80 and say how much various items cost.

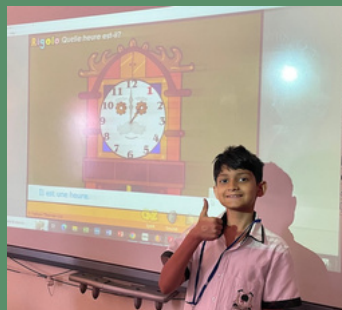

Special Events

During Book Week, Year 4, 5 and 6 students got to read a short story in French, and then they did different activities related to the story. Congratulations to Louay (4 Red), Alghala (5 Blue) and Karem (6 Green) for winning the "Reader of the Week" award.

Coming Up In Term 2

In Year 3, we will learn the days of the week, numbers to 20, animals and pets. Year 4 students will learn about different festivals celebrated in France and the names of some famous cities. In Year 5, we will talk about healthy and unhealthy food, while Year 6 students will learn about transportation and how to get to different places. I am looking forward to seeing you all in 2024!

À Beintôt!
Madam
Adina

PE

Term 1

This Term's News

This term has been a fantastic term for Physical education at Al Waab. At the beginning of the term, pupils learned about nutrition and how it can help them perform better in sports. Not only did we look at how our diet affects our sports performance, but also how we perform in the classroom.

Following this, we spent several weeks practising our basketball skills. KS1 focused on the fundamentals of passing, dribbling, rules, etc. KS2 also practised the fundamental skills. However, they developed their skills further by learning to attack and defend in numbers or in a 1 on 1 situation.

Towards the end of the term, we focused on team-based sports and practised football. Again, KS1 concentrate on the fundamentals such as dribbling, shooting and passing. Children in KS2 are familiar with the fundamentals of football, so we spent less time on this and more on working as a team in attacking and defending scenarios.

See you in Term 2!

Mr. Folland

Special Events

This term, we were fortunate to organise two different sporting competitions. This first competition was a basketball competition at Sherborne Preparatory School. We took four teams from Year 6 (girls and boys). One of the boys' teams made it to the finals but sadly lost. The girls weren't as fortunate but put in a fantastic effort. Most importantly, everybody had fun, and I was very proud of how they represented the school against tough opposition.

Our second competition was a home tournament against two other Newton schools, Al Dafna and Lagoon. Once again, our Year 6 boys and girls competed in this tournament. Both teams managed to reach their final. The girls were awe-inspiring in their final as they snatched a win against Al Dafna. Unfortunately, the boys didn't win their final, but they put in a fantastic effort, representing the school in a way they can be proud of.

Coming Up In Term 2

There is plenty to look forward to in Term 2. All pupils will be participating in Sports Week. This is one of the most exciting weeks of the school year, as children will get to showcase their skills in athletics, football, tug of war, and so much more. Everybody will get a certificate for participation, but there will be prizes for individual students in each year who show a high level of skills, effort and teamwork throughout sports week.

We are looking forward to hosting or attending more sports competitions in Term 2.

Music

Term 1

This Term's News

F1

The F1 pupils did some amazing singing and every week, we got to try a brand-new instrument and had lots of fun! Thank you to the TAs and teachers in F1 for their extra support

KS1

It was a fantastic term full of singing and dancing with the Key Stage 1 pupils. Our Year 1s were so enthusiastic in music class, practising their action songs, learning to count musically, and even trying some new instruments! Year 2s did fantastic work with singing, playing our glockenspiels for the first time and even a bit of dancing!

KS2

Year 3s did an excellent job learning to sing expressively, learning some piano and even singing en français (in French). Year 4s composed music about climate change sang about how we can help polar bears and did some incredible beatboxing. Year 5s were enthusiastic every week, singing different songs related to our theme of 'celebration' and learning all about our respiratory system and skeletons through dance and song! Year 6s were so impressive in participating in our song cycle about journeys, and we were even drumming along with a full orchestra behind us.

Special Events

Book Week

During Book Week, we used a game of musical chairs to help encourage and practice our reading skills. It was amazing to hear little bits of everyone's favourite books.

Coming Up In Term 2

Next term

KS1

We will continue to work on our singing, including more action songs and a LOT of instrument work.

KS2

We will be doing more projects in composition and performance, including instruments we have not used before!

Thank you to all the pupils for their hard work over this long term, and I can't wait to get started on more wonderful Music work in January!

Looking
forward to
Term 2!

Mr.
O'Donnell

P4C - HomeTalk

Term 1

Year 1 & 2

This term in P4C HomeTalk we are looking at two of our School Values, Choices and Responsibility. Stimulus: Fruit so Yummy (song): <https://www.youtube.com/watch?v=5lotajCFNcc>

Questions to start you talking at home with your family:

1. If you could choose any fruit to eat, which would you choose?
2. Who chooses the fruit for your school snack?
3. Is eating healthy fruit a responsible thing to do?

Year 3 & 4

This term in P4C HomeTalk we are looking at two of our School Values, Choices and Responsibility. Stimulus: Dangle (a short film about choices): <https://www.youtube.com/watch?v=8u5NpCYmEi>

Questions to start you talking at home with your family:

1. Would you choose to pull the rope?
2. Who is responsible for what happens?
3. Are you responsible for a choice if you don't know the consequences?

Year 5 & 6

This term in P4C HomeTalk we are looking at two of our School Values, Choices and Responsibility. Stimulus: The Black Hole (a short film about greed):

https://www.youtube.com/watch?v=P5_Msrdg3Hk .

Questions to start you talking at home with your family:

1. How would you use the black hole?
2. Does increased power make people less responsible?
3. Is greed a choice?

Library

Term 1

This Term's News

Term 1 has been a fantastic start for the school library since it is situated in a new place, which allows students and staff to be more comfortable enjoying the library resources. Students attended the refresher program on the different library policies and guidelines during the first week of the school opening. The school librarian also reiterated the importance of reading and why it is considered the best tool to improve your vocabulary and develop communication skills. Students who are responsible library users and show exemplary behaviour during library classes were also recognised in this term.

Special Events

A Community of Readers

In Celebration of the schoolwide Book Week, a Book Fair was also held in partnership with Crescent BookShop Qatar on the 2nd - 5th of October at NBS Gymnasium. Students, parents and staff were given an excellent opportunity to discover new authors, genres and cultures. During this event, some parents, teachers and students were also involved as Guest Readers for Y1 and Y2 classes. Our parents were delighted, as this is one of the best opportunities for them to get involved in their child's education. I offer heartfelt gratitude to all who participated in our Guest-Reading Program.

Coming Up In Term 2

In the succeeding term, the school library will continue expanding opportunities for reading and learning. For the students to cultivate a love of reading, there are programs that are in store for them, like E-book reading, Book-tasting Events, Book-talk, Reading Marathons and a lot more to look forward to.

Term 1

اليوم العالمي لمحو الأمية

يحتفل العالم باليوم الدولي لمحو الأمية في 8 أيلول/سبتمبر من كل عام، لإبراز التحسينات التي طرأت على معدلات محو الأمية وللتفكير في التحديات الماثلة أمام العالم. وقد احتفل طلاب المدرسة بهذا اليوم لتوعية الطلاب بأهمية العلم والتعلم وإبراز أهميته من خلال مجموعة من الأنشطة وعروض الفيديو التي تظهر أهمية العلم والعلماء، وقدمت تنفيذها داخل الصفوف

قيمة أنا مسؤول عن:

في إطار تعزيز مشروع قيمى ترسم هويتي (قيمة أنا مسؤول) مسؤوليتي تجاه ذاتي، مسؤول عن نجاحي ومستقبلي، مسؤول عن هواياتي ماذا أحب، بالإضافة إلى مسؤوليتي تجاه غذائي، نفذ القسم مجموعة من الأنشطة التي تعزز هذه القيمة لدى طلابنا كالألعاب التعليمية وعروض الفيديو، الأنشطة الصفية، وإفطارًا جماعيًا لجميع الطلاب، تعرّف الطلاب على أهمية الغذاء الصحي وأهم الأطعمة التي تغذي وتفيد جسم الإنسان، بالإضافة إلى مسابقة سفير القيم وتم تحديد الفائزين.

وقفة تضامن مع فلسطين صلاة الغائب على أرواح شهداء فلسطين

قام قسم المواد الإلزامية الثلاث، الإثنين الموافق 16/10/2023 يوماً للتضامن ونصرة للشعب الفلسطيني، زينت المدرسة بالأعلام ورفع الطلاب علم فلسطين، أقيمت فيه بعض الأنشطة التي تعزز من حب الوطن وإحياء القضية الفلسطينية في وجدان أطفالنا، ثم أدى الطلاب ومعلمات القسم صلاة الغائب على أرواح شهداء غزة في قاعة الرياضة، وقد أمّ الصلاة معلم الحاسوب الأستاذ اسكندر، وقد تليت الصلاة الدعاء لأرواح الشهداء والنصر لفلسطين.

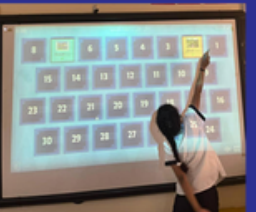

لَعَنَ يَهُودِيَّتِي

جَعَلَ الْجَمَالَ وَسِرَّهُ فِي الضَّادِ

اللُّغَةُ الْعَرَبِيَّة

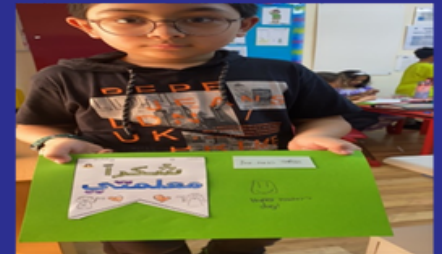

اللغة العربية من أكثر اللغات المستخدمة وأكثرها انتشارًا في العالم، يتحدث بها أكثر من 422 مليون نسمة في الوطن العربي وفي العالم، فيها 12 مليون مفردة، وأهميتها عظيمة لدى المسلمين لأنها لغة القرآن الكريم، خصص قسم اللغة العربية أسبوعًا للاحتفال باللغة العربية بدأ يوم الأحد الموافق 12/11/23، نفذت المعلمات العديد من الأنشطة التي تغرس حب اللغة في نفوس طلابنا.

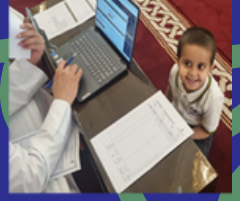

في إطار المشاركة المجتمعية بين وزارتي الأوقاف والتربية والتعليم والتعليم العالي، تحقيقاً لأهداف الدعوة والإرشاد الديني في بث الوعي الشرعي، قدم النشاط النسائي بإدارة محاضرة تعني بالصلاة وتعظيم قدرها في نفوس لطالبات المدرسة بعنوان (فاصلة) قدمتها الداعية مريم اليهري وذلك يوم الأحد الموافق 1/10/23 وقد كانت محاضرة قيمة ساعدت على بث روح حب الصلاة والالتزام بها من قبل الطالبات.

يصادف الخامس من شهر أكتوبر من كل عام، اليوم العالمي للمعلم، للاحتفال بمهنة التعليم بجميع أنحاء العالم تقديراً لدوره في تنشئة وتعليم الأجيال، ووفاء وتفهمها لقيمة ما يبذله من جهد وعمل مضن وشاق، وحرصاً على أن يتبنوا المعلم مكانته التي يليق به وبرسالته، يتم فيه تكريم المعلمين تقديراً لجهودهم ولإسهاماتهم الكبيرة في المجال التربوي. احتفل طلاب المدرسة بمعلميهم ومعلماتهم، عبروا عن حبهم وتقديرهم لجهودهم.

شارك طلاب وطالبات المدرسة بالمسابقة السنوية لحفظ القرآن الكريم والتي تنظمها وزارة الأوقاف بالتعاون مع وزارة التربية والتعليم والتعليم العالي، وقد حقق فيها الطلاب نجاحاً متميزاً بين الطالبات والطلاب.

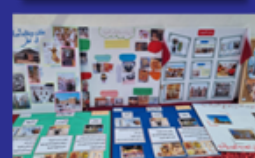

الرحلات المدرسية

تعزيزاً لمشروع قيمى ترسم هويتى وأيماناً منا بأهمية الرحلات كوسيلة تعليمية تربية هامة لتعزيز المناهج مع ربطها بالأهداف والتعلم الذاتي والتعلم بالملاحظة، لإثراء خبرات الطلاب التربوية والاجتماعية، وأنشطة مهمة لتعزيز روح الولاء والانتماء للوطن، نظم القسم رحلات للطلاب للتعرف على أهم معالم الدولة، ومنها ميناء حمد الدولي ومتحف قطر الوطني.

اليوم الوطني في قطر هو احتفال يقام لإحياء ذكرى تأسيس الدولة على يد المؤسس الشيخ جاسم بن محمد آل ثاني في ال18 من ديسمبر، يهدف هذا الاحتفال إلى تعريف الأبناء والمقيمين بالثقافة والتراث والعادات والتقاليد القطرية الأصيلة في المجتمع والموروثة من الأجداد ، وتعزيز الفخر بدولة قطر وإنجازاتها في مختلف المجالات. شارك طلاب المدرسة بتنفيذ أنشطة ومشاريع مختلفة تظهر هذه الإنجازات وتعزز التمسك بالهوية الوطنية وقيمها وتفتخر في الدولة وإنجازاتها.

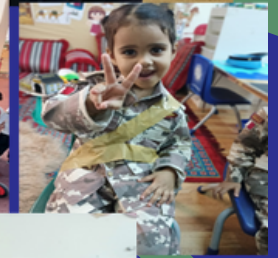

الروضة والتمهيدي

يعتبر التعليم المبكر أساسًا لرحلة الطفل التعليمية اللاحقة، وتنطوي أهمية على الاستفادة من القدرات الطبيعية للأطفال، ويهدف إلى توفير بيئة تعليمية محفزة وآمنة لتعزيز نمو الطفل قبل دخول المدرسة من خلال برامج مخصصة لتطوير مهارات الطفل المختلفة وتهيئته للتعليم الابتدائي، وهذا ما حرصنا عليه في روضة نيوتن الوعب..

إشارات المرور والقواعد

ديني الإسلام، أحترم الأديان والثقافات الأخرى

وحدةنا مصدر قوتنا

أفخر بتراث الأجداد وأحافظ عليه اليوم الوطني
