During each newsletter we will be celebrating the achievements of some of our children outside of school. This month we would like to share the achievements of Yassine El Sobky in Year 7 Green. He has been representing his club across Doha and achieving fabulous results, taking a number of gold, silver and bronze medals in both club and national swim meets. His hard work and dedication is admirable and the even through injury Yassine has maintained a positive attitude and worked hard to achieve his goals.

Please remember children must be in school by 7:00 am each day, gates are open from 6:30 am for children to enter for those parents wishing to avoid traffic.

We are still expecting to have road works in place outside of the school on our return to January. Please continue to show patience and consideration when dropping and collecting your children each day.

A polite reminder: Children should be in full school uniform, including having hair tied back for girls and only a pair of small stud earrings. Children should also be wearing fully black shoes to school each day.

Finally, a huge thank you to the D Ring Community. We are thankful to have such an amazing community of parents who provide constant support for the school.

A parent survey will be put on class dojo, please can we ask you to complete to support us in our review process.

Have a safe and happy holiday and we look forward to seeing you all again on 2 January!
