

NIS Lagoon PTA Newsletter

Firstly, I would like to introduce myself as the new PTA chairperson for 2020/2021. My name is Fatima Jomha.

It brings me great pleasure to be a part of NIS Lagoon's Parent Teacher community. We aim to work with the school to achieve many goals for the sake of our children.

My fellow PTA team members and I will make it our utmost priority to help your children learn in the best school environment possible.

COVID19 Safety Procedures

As we are in a pandemic we must all be vigilant about following COVID19 procedures at school.

1. Anyone entering the school must wear a mask, extra masks help if your child loses theirs.
2. Please ensure and remind children to dispose of masks in the allocated bins.
3. Social distancing is important for everyone, both adults and students, entering the school.
4. If your child is unwell, it is better to keep them home and if it persists seek a professional.
5. Adults and Secondary students must show their Etheraz to enter the school gates and buildings.

Calling all Parents

The PTA needs You!

If you are interested in becoming an active part of your child's schooling, then let us know by emailing us @ ptachairperson@nislagoon.com and we will get back to you as soon as possible.

Please include the following details:

Name:

Number:

Classes of child/children

Please take a minute to complete the following:

School Safety

At Newton Lagoon we always take the health and safety of our students very seriously. Here is how you can help us.

Traffic Safety

1. Stop, drop and go: please drop off and picking up your children as quickly and safely as possible.
2. Unless you are an EYFS parent, try to avoid driving past the EYFS building in the mornings.
3. Make sure your child leaves your car on the pavement side of the vehicle.
4. Ask your child to stay with you, or their carer, when crossing the road and in the car park area.

Science Week January 24th 2021

CALLING ALL ENGINEERS!

Would any of our engineer parents be able to spare a little time to inspire our young scientists in Science week next term.? If you are able to help please contact Mr. Wilson- at wilsonc@nislagoon.com
