Organisation & Allocation of Houses

At Newton British Academy, we have four houses:

Curie (Red)

Wright (Green)

Bell (Yellow)

Edison (Blue)

Students are allocated to one of the four houses when they first enroll at NBA. NBA reserves the right to allocate students to a house based on the following:

- Siblings are placed in the same house
- Classes and Year Groups have a balance (where possible) of boys/girls allocated
- A balance is struck between all four houses to ensure (where possible) the equal allocation of students across all four houses

Students will remain in their house for the duration of their time at NBA – should they leave and return, they will be allocated the house they were initially placed in. Staff will be placed in a house and will be responsible

for supporting/organising house meetings. Staff will also be responsible for informing students of their house allocation.

- Year 1 students (new to NBA at the start of the academic year) and new students will be allocated as per the above stated criteria and parents will be informed of their child's house within the first two weeks of the new academic year.
- All students will remain in their house for the duration of their time at NBA.
- Any new student to the school will be allocated to a house dependent on existing numbers.

The School Registrar – in conjunction with SMT- will be responsible for the above-mentioned allocation.
