

# Year 2 Weekly Newsletter

## Key Stage Coordinator Message

Well done Year 2 on another fantastic week. We have introduced some tricky topics this week, but as ever the children have taken these in their stride and produced some excellent work. We have a very exciting week ahead of us next week, we will be taking part in Literacy week where we have some fun English activities planned and we get to dress up as punctuation! We can't wait to see how creative the children can be with their outfits. Please ensure that you have booked a Parent Teacher meeting with your class teachers. With the current COVID restrictions it is usually the only time we get to chat face to face with parents, so please book one, we would love to chat to you! Have a lovely weekend.

## Weekly Homework and Spelling List

English – Write 6 sentences using conjunctions (joining words)

Maths – Weekly Fusion maths quiz: addition

Science – Weekly Fusion maths quiz: seed dispersal

Topic – The beside the seaside topic is due on 6.10.21. Please ensure the children have completed this and uploaded a photo/video to fusion. If you would also like to send them into school, we would love to see them!

10 minutes of daily reading and 10 minutes of daily Numbots

The j sound spelt with g or j

- 1.gem
- 2.giant
- 3.magic
- 4.giraffe
- 5.energy
- 6.jacket
- 7.jar
- 8.jog
- 9.join
- 10.adjust

## Next week's learning...

English – In English, we will be beginning our shared write. We will be changing the animal within our letter and creating our reasons and explanations as to why they cannot go on a bus.

Maths – As mathematicians, we will be focusing on subtraction. We will be using the same methods we used this week for addition to subtract two 2-digit numbers.

Science – In Science, we will be learning about pollination and how this process takes place through role play.

Topic – As geographers, we will be sorting the physical and human features of a seaside and creating our own seaside towns.

## Stars of the week

Red	Ahmad	For always bring his best and working independently, especially with tricky maths questions.
Blue	Kenneth	For doing some fantastic independent work this week and putting lots of effort into his learning
Green	Ali	For making excellent progress in Maths and English and in his classroom behaviour.
Purple	Rumaisa	For her positive attitude to all areas of school life and kindness shown to all.

## Class of the week

CLASS COLOUR	REASON
2 Red	For their enthusiasm and engagement in their learning

## Important reminders

- Please ensure you book a parent teacher meeting with your class teachers.
- We have sent out a letter regarding midterm assessments. These will not count towards any report grades, they are simply to inform teachers of the current strengths and target focuses for your child.
- Next week will be literacy week! We are so excited for this and have lots of fun activities planned. Students will have the opportunity to dress up as a piece of punctuation on Monday or Tuesday.
- Masks are mandatory at the gate during drop off and pick up. You will be asked to wear one before your child is sent out.
