

Year 6 Weekly Newsletter

Key Stage Coordinator Message

Congratulations to Year 6 on another wonderful week of learning. The children worked exceptionally hard and even had a fun trip to our Science Lab. Next week, the teachers will be running PTC meetings via Zoom.

Please see class dojo for more information regarding how to make an appointment with your child's class teacher. Additionally, next week NBA will be celebrating literacy week. The children will have the opportunity to dress up as a 'WOW Word' on Tuesday/Wednesday. Parents, please see class dojo stories regarding information about Mid-Term Assessments. All information can be found in the letter.

We ask that all parents check dojo daily as important information will be posted daily. I wish everyone a happy and safe weekend!

Weekly Homework and Spelling List

English – For English this week the homework is to write a Newspaper Report linked to the World Cup.

Maths – For Mathematics, please complete the short quiz on Fusion.

Science – For Mathematics, please complete the short quiz on Fusion.

Topic – For Topic, please continue to complete your project. This is due Wednesday 6th October.

20 minutes of daily reading and 20 minutes of daily TT Rockstars

Next week's learning...

English – As Journalists, in English next week we will begin to write newspaper reports. The children will participate in a hot seating activity and share their knowledge of feelings and emotions in different scenarios.

Maths – As Mathematicians, Year 6 will be exploring long division using the Division Family. We will be dividing 4 digits by 2 digits. The boys and girls will complete an Investigation task focusing on using all four operations collectively.

Science – As Scientists, the children will develop their understanding of renewable and non-renewable energy. They will identify the different sources of energy.

Topic – As Historians, Year 6 will learn about remembrance day and create short messages for remembrance days using clay slates.

Stars of the week

Yellow	Methuli Gamage	For her amazing attitude and resilience in every lesson. Also, for her brilliant collaborative learning.
Red	Muhammed Hassan	For his attitude to learning in always trying to achieve his best and his commitment to online platforms.
Blue	Sultan Al-Sharshani	For displaying fantastic Scientific knowledge in creating circuits, investigating the impact of different voltages.
Green	Tarek Mahrous	For working extremely hard as part of a group during the mathematics treasure hunt.
Purple	Yazen Adil	For working hard in all lessons and being enthusiastic when answering questions in English and Maths.

Class of the week

CLASS COLOUR	REASON
Red	For their excellent participation in TT Rockstars.

Important reminders

- Book a parent teacher meeting with class teacher
- Mid-term assessments will not count towards any report grades, they are simply to inform teachers
- Next week will be literacy week and students will dress up as WOW words on Monday or Tuesday
 - Masks are mandatory at the gate during drop off and pick up
