

“A person gives happiness in order to receive happiness in return”.

Everyone adores teddy bears, plush dolls, and stuffed animals, which are incredible for cuddling on cold days or providing comfort on bad ones. What do you do when a collection of stuffed animals becomes overwhelming? You donate them to orphanages!

Our Student Council members have collected toys and went on a trip to Dreama orphanage. The students believe that the toys would help draw a smile on the faces of all the orphans. Well done!
